- I have read and understand the attached Club Range Safety Rules that are also published annually in the Club newsletter (current as of 08-13-10) and posted on the Club's website in the Member's section.
- I recognize the Club's No Smoking Policy is always in effect. Further, any time I am on the range I will have a full sized shovel or spade for fire fighting with me.
- I recognize the Club's No Alcohol Policy means a 0.0% blood alcohol level while handling any firearms. Further I recognize that using firearms while under the influence of alcohol or any other substance that impairs judgment and mental acuity is prohibited on Club property at all times. Neither my guests nor I will consume alcoholic beverages on the range facility while firearms are present.
- I recognize that while on the range I am responsible for the safety and behavior of all of the guests in my party. Further I understand that no more than three guests may accompany each Annual, Life, Conditional or Associate member visiting the range facilities.
