LRP - Long Range Pad (formerly 600 yd pad)  
 SP - Silhouette Pad (200 yd)

LONG RANGE PAD (formerly known as 600-yard shooting position)  
 10. The unreserved use of the **LONG RANGE PAD (formerly known as 600-yard shooting position)** is limited to **Monday through Thursday mornings** on a first come, first served basis, unless otherwise noted in these Range Rules. **There is no individual use of the 600-yard range by members on Fridays, Saturdays or Sundays.** Unless otherwise noted in these Range Rules, the LONG RANGE PAD (formerly known as 600-yard shooting position) must be **relinquished at 10:00 a.m. if** there are other members of the club who wish to utilize any of the other members shooting ranges. After inspecting that all the back ranges are cleared of other occupants, the gate leading out of the MainRange must be closed before using the LONG RANGE PAD (formerly known as 600-yard shooting position)

**SILHOUETTE PAD (200 YARD) [shoots over bays 12-17] (old 7a,7b-11)**  
**Before 10 am** members occupying bays beyond the SILHOUETTE PAD(formerly known as the 200-meter pad) must move back to other bays at the request of Annual members wishing to use the SILHOUETTE PAD(formerly known as the 200-meter pad) , as long as there is space available in bays 1 through 11. After inspecting that the back ranges are

cleared of other occupants, the gate leading to bays 12 through 17 must be closed before using the SILHOUETTE PAD(formerly known as the 200-meter pad)

### **MIDRANGE PAD**

**Before 10 am** members occupying bays beyond the MIDRANGE PAD(formerly known as the 300-meter pad) must move back to other bays at the request of Annual members wishing to use the MIDRANGE PAD(formerly known as the 300-meter pad) , as long as there is space available in bays 1 thru 8. After inspecting that the back ranges are cleared of other occupants, the cable barriers leading to bays 10 through 17 and leading to the SILHOUETTE PAD(formerly known as the 200-meter pad) must be closed and the sign rotated before using the MIDRANGE PAD(formerly known as the 300-meter pad). The "Bay Closed" sign on the Bay 9 Shade Structure must also be lowered into place.

***. The Rangemasters have the final authority to close or open any bay or pad, at any time, to accommodate the maximum number of members using the range.***

**12. All rifle shooting positions that shoot over other shooting positions or bays requires a safety inspection first**, where the member(s) actually drive(s) or walk(s) the full distance from the firing line to the impact area. Once the range is determined to be secure, with no other persons present downrange and all gates or safety cables closed to insure that no one drives past your firing position while you are shooting, only then may firing commence.

**13. Never walk or drive past any closed gates, cables, safety cones or barricades without checking to see if that area is a live-fire area.**

**14. Shooting on the back ranges must always be in the direction of authorized impact areas and from designated rifle pads or while completely inside the safety berms of an authorized shooting bay.**

**^^^ Warning: Shooting into PROHIBITED IMPACT AREAS, or OUTSIDE PROPERTY BOUNDARIES, could result in:**

**Suspension or Loss of Membership privileges, or other penalties determined by the Board of Directors to be appropriate. PLEASE COMPLY with ALL Long Range Shooting pad guidelines and rules. ^^^**
